

Los Osos Band, Orchestra and Color Guard

On behalf of the Director of Bands, Dr. Samuel Andress, and the Los Osos Band, Orchestra and Color Guard, I would like to personally thank you in advance for your consideration to sponsor a Regiment member in the music program.

The Los Osos Band, Orchestra and Color Guard believe in the power of music education and the arts. Its influence on the character, mind, and spirit of the individual delivers more than just a high school experience, but contributes to the legacy of the student as a lifelong patron of the arts; one who values and appreciates the level of creative discipline required to create and share various art forms. It is our hope that our graduates will continue to cultivate their love for the arts, and share their talents with others.

Our approach to the music-making process is founded in the belief that in order to maximize the musical experience, the performance of the music must be of the highest caliber. Striving toward this standard is asked of all Regiment members. The rewards are based on his or her willingness to contribute to the collective energy of the ensemble. The various performances that are presented by our Band, Orchestra and Color Guard members each semester add a great deal of enthusiasm and excellence in representing the community both at home and abroad.

The Los Osos Band, Orchestra and Color Guard receive minimal funding from the Chaffey Joint Union High School District. Your donation will be used to cover all program expenses including band camp, transportation to and from performance venues, uniforms and repairs/replacement of uniforms, instruments and instrument repairs, equipment loans, staffing, music, choreography, performance props for tournament shows, charting, trailer maintenance and insurance, and other service needs. Every attempt is made to limit additional expenses.

Again, we appreciate your willingness to support. Any donation, no matter the size, would make a big difference in the music education program.

Best Regards,

Robin Lewis

One of the best and most effective ways students can raise money is by acquiring sponsorships that go directly toward the amount needed to be raised by the student. Most fundraisers only give up to 50% profit and the consumer gets some type of product in return. With a sponsorship, 100% of the money goes toward the needs of the student. If you would like to be a sponsor, please fill out the lower portion of this letter and return it with a check to the address listed below. Any amount will greatly benefit our program. Thank you for your continued support!

On behalf of the Director of Bands, Dr. Samuel Andress, and the Los Osos High School Band, Orchestra and Color Guard, I would like to thank you in advance for your consideration of our request for sponsorship.

I am reaching out to businesses in support of the upcoming 2017 Southern California School Band & Orchestra Association Tournament Season. This is an exciting time for our community as Los Osos High School will be representing Rancho Cucamonga throughout the State of California and in Utah. The tournament season begins Saturday, October 21, 2017 and ends Saturday, November 18, 2017.

Our fundraising campaign is designed to ease the financial burden of providing transportation, lodging and food expense to the students participating in the music education program. Los Osos Band, Orchestra and Color Guard proudly boast 250 students in the regiment.

In the month of November, the regiment will be participating in the Bands of America competition in St. George, Utah. As part of the 4 day trip, we are including a trip to Zion National Park. Traveling across the country is a great experience for the students and a gut wrenching experience for our treasurer. The bus rental alone for this educational adventure is \$25,000.

I am asking for a commitment of resources from your establishment (monetary or in-kind). For your tax-deductible donation, your business will be recognized as a valued partner of the regiment. Your establishment will be proudly displayed on all of our buses and advertised on all of our social media platforms (Twitter and Facebook). In addition, our traveling banner will highlight your business for the entire season at home and throughout the country. This is a great opportunity to promote your brand and exhibit your corporate social responsibility.

Again, I would like to thank you for considering this opportunity to partner with our organization. If you have any queries regarding our organization, please feel free to contact me at [626-497-6162](tel:626-497-6162) or via email at lohsbanddonations@yahoo.com.

Benefits of the Los Osos High School Music Education Program

The Los Osos High School Band, Orchestra and Color Guard believe in the power of music and its influence on the character, mind, and spirit of the individual. We feel that students involved in our band program are more active in school events, achieve higher academic goals, and take an active part in their high school experience. Our approach to the music-making process is founded in the belief that in order to maximize the musical experience, the performance of the music must be of the highest caliber. The striving toward this standard is asked of each and every student and the rewards are based on his or her willingness to contribute to the collective energy of the ensemble. The various performances that are presented by our band and color guard each semester add a great deal of enthusiasm, and excellence in representing the community both at home and abroad. At Los Osos, all children have an opportunity to participate in the music education program (even if the parents cannot afford to financially provide for the band experience).

Hard work pays off! Los Osos Band, Orchestra and Color Guard are an award winning music program. We are regularly called upon for city parades and district events. In addition, the students volunteer throughout the community all year long. We are proud that our program boasts several Eagle Scouts, Gold Award and National Honor Society students.

At Los Osos, all students have an opportunity to participate in the music education program regardless of their financial status. Our program reaps positive outcomes for all students. The discipline acquired through the music program prepares the student for better workforce opportunities and more civic engagement. While our program welcomes all students, our budget is strained and often in crisis.

We need your help! Would you be willing to make a special donation of \$100, \$250, \$500 or whatever you can afford to help us meet our goal? We simply can't do it without you. Your support will make a real, lasting impact in the lives of those who are in need.

Thank you for considering the Los Osos High School Band, Orchestra and Color Guard for sponsorship this year. We appreciate the support of our community partners.

In the month of November, the regiment will be participating in the Bands of America competition in St. George, Utah. As part of the 4 day trip, we are including a trip to Zion National Park. Traveling across the country is a great experience for the students and a gut wrenching experience for our treasurer. The bus rental for this outing is \$25,000.

Today, we are launching our Get on the Bus with Los Osos! Campaign. Our goal is to raise \$50,000! By partnering with generous donors in our local community, we can personally thank your business through advertisement at all of our events and be available when you are in need of services.
