On behalf of the Director of Bands, Dr. Samuel Andress, and the Los Osos Band, Orchestra and Color Guard, I would like to personally thank you in advance for your consideration to donate towards the music program.

The Los Osos Band, Orchestra and Color Guard believe in the power of music education and the arts. Its influence on the character, mind, and spirit of the individual delivers more than just a high school experience, but contributes to the legacy of the student as a lifelong patron of the arts; one who values and appreciates the level of creative discipline required to create and share various art forms. It is our hope that our graduates will continue to cultivate their love for the arts, and share their talents with others.

Our approach to the music-making process is founded in the belief that in order to maximize the musical experience, the performance of the music must be of the highest caliber. Striving toward this standard is asked of all 261 Band, Orchestra, and Color Guard members. The rewards are based on his or her willingness to contribute to the collective energy of the ensemble. The various performances that are presented by our Band, Orchestra and Color Guard each semester add a great deal of enthusiasm and excellence in representing the community both at home and abroad.

The Los Osos Band, Orchestra and Color Guard receive minimal funding from the Chaffey Joint Union High School District. Your donation will be used to cover all program expenses including band camp, transportation to and from performance venues, uniforms and repairs/replacement of uniforms, instruments and instrument repairs, equipment loans, staffing, music, choreography, performance props for tournament shows, charting, trailer maintenance and insurance, and other service needs. Every attempt is made to limit additional expenses.

Again, we appreciate your willingness to support the team. Any donation, no matter the size, would make a big difference.

Best Regards,

Robin Lewis
